

6 PIECE JUMBO RATCHETING WRENCH SET

- Geartech[®] deep tooth design for increased torque over standard ratchet wrenches
- Specialty Heat Treated Chrome Vanadium Steel allows for a smaller ratchet head design for tight areas where conventional tools will not reach.
- 72 tooth design for a 5° swing per tooth vs. standard 30° for standard ratchet wrenches

Geartech[®] deep teeth for more torque

Includes durable canvas pouch for convenient storage and easy travel

Jumbo Ratcheting Wrenches are also available to purchase separately.
